By OWEN MERRICK.

In selecting an all-star interscholastic team among the players who have performed on the local gridiron this year, careful attention must be paid to every detail of play and the selection must be one that will be ready to play the game from every angle. Perhaps there has never been an all-star team picked in history that has met with the approval of every critic, but there are many stars standing out this year and only in a few places will there be much question on the man for the position.

The team as selected would combine a strong attack with a perfect defense and the team would have a good kicker, a man who could kick goals from the field and a combination of speed and strength in the back field. Two of the players have been shifted out of their usual position, but in selecting a team I have endeavored to pick eleven men who would play the strongest game against an opponent.

The playing this year has been clean with but few exceptions and there has been a tendency upon the part of the officials to discourage this roughness. The athletic directors have worked together to make the football season a success and the attendance has increased each game. In fact the crowd has been so large as to overcrowd the seating accommodations at Alexander and Kamehameha fields.

In selecting the ends for the all-star team this year attention has been paid to the work of the players throughout the season. Many of the ends have starred in a single game, but the selection is made from the record in the season's play. Sam Carter has been stationed at fullback on the McKinley team while Kauahoe has played at both end and in the back field. Carter throughout the season has shown enough to warrant the assertion that he is one of the greatest defensive players that has appeared on the local gridiron this season. Time and again he has worked with the ends and would make an ideal end on any team.

Kauahoe has shown this year both in kicking off and kicking goals from the field that he is to be reckoned with. He would be a valuable man on a team from the offensive standpoint with the ball inside the 30-yard line. Defensively he has proved to be a steady player throughout the year.

Hussey has also made a good record at end, and is a really good goal kicker and deserves mention. Fred Carter has been one of the stars of the McKinley team, and has shown good work in stopping the plays around his end. Andrade, had he been in the game all year, would surely have earned a place on one of the teams. Lower is the fastest end in the city, but has not yet combined all the qualifications of a sterling end. Bromley has been shifted back and forth, but has played good football this year.

**Tackles Easily Picked.**  
The tackles may be selected without the question of a doubt. Both Gifford and H. Bertelmann have stood head and shoulders over the other tackles in every department of the game. Hipa has been stationed at tackle. This player has shown enough in his games to prove that he would make an ideal tackle. He has the weight, plays the game well, and knows how to get the most out of his speed. His games at end have proved that much this year. Baldwin has not been a spectacular player, and many may think he does not deserve a place on the team, but game in and game out this player has proven that he is always with the ball, and his defense,

although not startling, has been steady throughout the year. His ability to select plays coming through his territory makes him an ideal player in this position.

Simmons at guard has no rivals in ability to play that position, and his work this year has been consistent at all times. C. Bertelmann has been shifted to play the other guard. There is no question but that this 200-pound center would be able to stop most of the plays going through his territory. Thompson and Stevens have played consistently this season. The latter has not been in many games, but those few games were enough to convince the critics that the big lineman would make good with the Punahou team. Thompson is not so heavy, but his ability to charge and his knowledge of how to stop the opposing backs earns him the position.

A. Melim has played a steady game this year. He passes the ball well and gets into the play at once. His defensive work has been one of the features of the McKinley line play. Mott-Smith is a great defensive player, perhaps the best at the center position in the city, but his passing has been ragged this year. His all-around work entitles him to the place.

Many Stars in Backfield.  
An all-star team without Clifford Melim, Napthaa and Correa would be like a ship without a rudder, and consequently these three players are selected for the backfield. Melim is the fastest backfield man in the city, while Napthaa and Correa combine the ability to run the yards and plunge through the line. Correa would be able to do the punting for the team up to standard. The selection of the fourth man is one point where the selection does not come so easily. There are four men who might be shifted into this position and the team would not be weakened. Godfrey Bertelmann is picked for his work of the year. He does not hit the line like Eaton, nor does he pick the holes like Isane and Hawkins, but taking the chart for the year it is discovered that Bertelmann has gained yards and yards of ground, and when called upon to go through the line he is able to make a gain.

Eaton would make a nice back to send into the team. He has played a great game this year for a line plunger, and the same may be said for Isane. Hawkins has been able to fight his way through for big gains. On the second team Isane would do the punting and Hussey the kicking. Bertelmann is the heaviest man of the three and with three other fast men on the first eleven he would be used for line plunging. Norris has displayed an unusual idea of the possibilities of the open game, and would be a fast and heavy man for the second team.

**Hawaii Has Sterling Players.**  
In making the selections the College of Hawaii players have not been taken into consideration. Inasmuch as the Hawaii team is not in the league none of the eleven has been selected. There are a number of players on this team who would fit in nicely on an all-star team. Austin, Lee, Brash, Brown and Hicks are five players who could hardly be overlooked in picking a team from the players of the city.

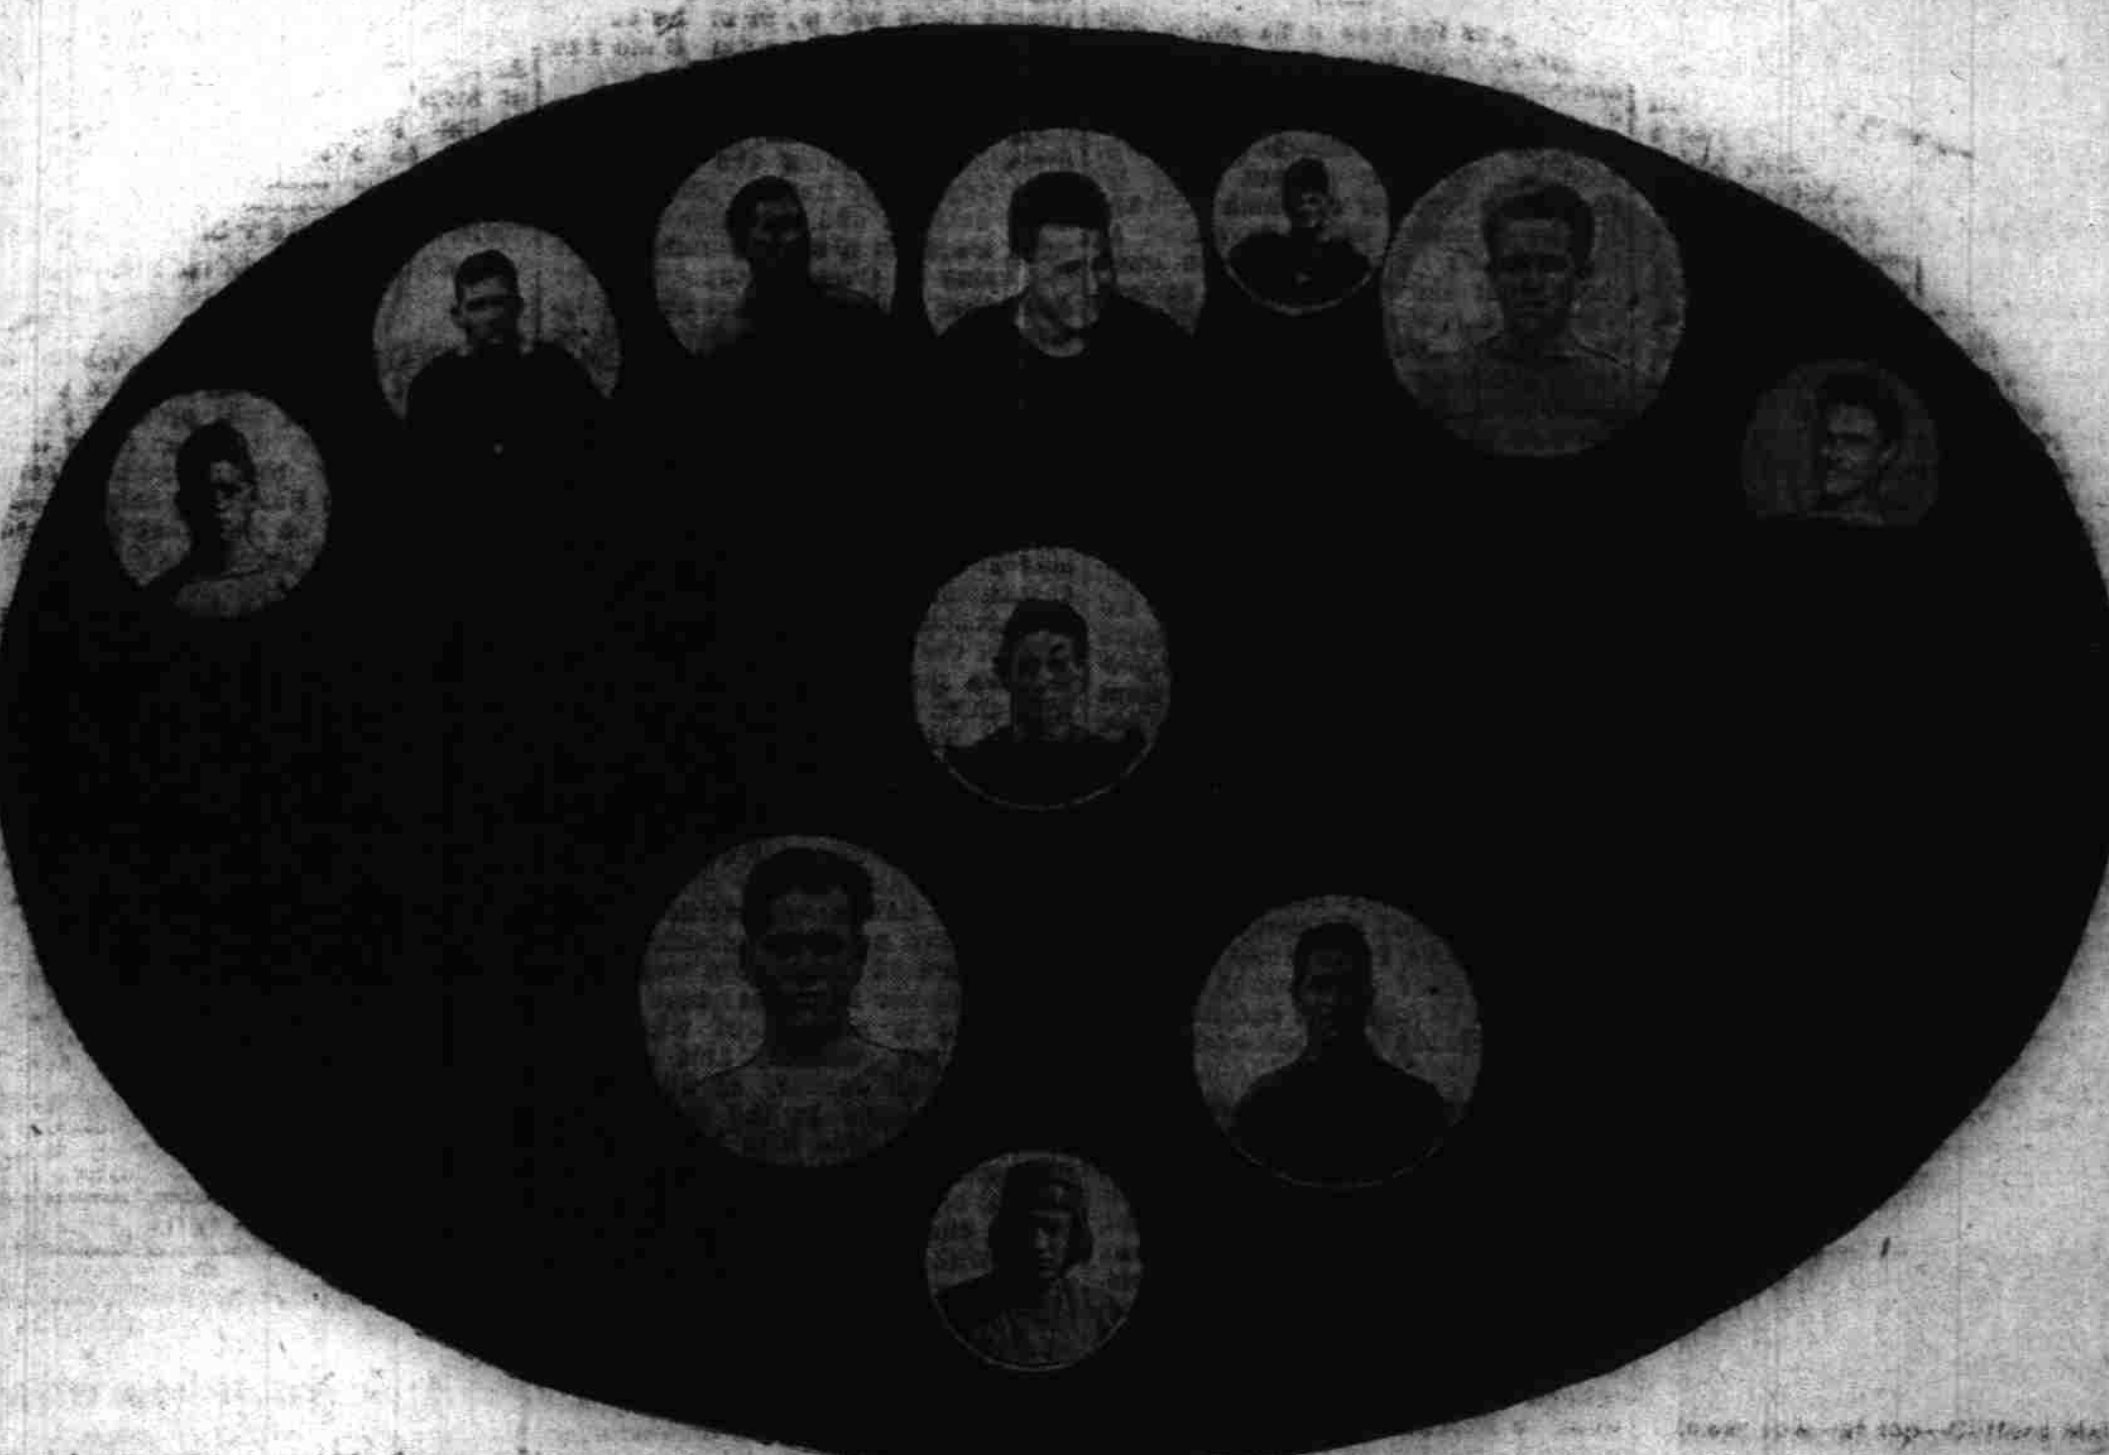

Taken altogether this team as selected would combine every department of the game to advantage. The line would be strong. The backfield would be able to make gains around end and through the line, and the punting and place-kicking departments would be well taken care of. There may be many players who have shown better work for a single game, but taken as a whole the team as selected would combine all of the requirements of an all-star team.

### GRAND CIRCUIT HAS GOOD YEAR.

Racing on the Grand Circuit this season was productive of unusually high class sport. During a period of 13 weeks, from the opening meet at Cleveland to the closing contests at Lexington, Ky., 206 races were held and \$427,285 paid out in stakes and purses. The T. W. Murphy stable was the biggest money winner, collecting more than \$88,000 while the same driver led the list of winning reinsmen, scoring 39 firsts, 32 1-2 seconds and 17 1-2 thirds out of 130 starts. Peter Scott won first place among the trotters and Russel Boy gained premier honors in the pacing division.

Receivers of the Atlantic Shore Railway Company were appointed by the United States Circuit court at Portland, Me.

## TIGERS DEFEAT GOMES FIVE IN EXCITING GAME

	P.	W.	L.	Pct.
Service	3	2	0	1.000
Tigers	2	1	1	.667
Cosmopolitans	3	1	2	.333
Dormitory	3	0	3	.000

Last night's games—Service 16, Dormitory 3; Tigers 15, Cosmopolitans 12. The good crowd of basketball fans who were on hand last night at the Y. M. C. A. were rewarded with two first-class games. Those who looked for a runaway in the first game were disappointed, for the Dormitory played a much improved article of basketball and showed that with more practice they will be dangerous to all comers. The Service ran up a score of 13 to 2 in the first half, but with the Dormitory playing a strong defensive game in the second period, the army scoring machine was practically stopped.

Gevardar at forward starred for the Service, as did Wheeler at guard. Cosgrove's absence broke up the Service teamwork somewhat. Lake put up a fine game as a Dormitory guard, as did Dreier at forward. Harrison showed vast improvement at center, and Page did fine floor work.

**Tigers Win.**  
In the second game, the old rivals, Tigers and Cosmopolitans, surely had a struggle. It was first one team ahead and then the other. The first half ended 7 to 5 in favor of the Cosmopolitans. With Dwight, a fresh man at guard, and a little more speed all around, the Tigers caught up with their opponents and passed them in the closing minutes of play. During the greater part of the second period the score was either tied or one team was leading by a point or two.

While unnecessarily rough at times, the game kept the crowd on its toes all the time and furnished a good climax to the evening's sport. Lieut. Green handled the game very well, and both Green and Jackson are making names for themselves as basketball officials.

**Henry Stars.**  
Henry proved the Tiger star with four dandy field goals. Nott handled the ball well at center, and Captain Meinecke was everywhere all the time. Ramirez proved a star at center, and scored the two most difficult baskets of the evening, besides doing a big share of the floor work for the Cosmopolitans. Soares held Haneberg without a basket. Gomes shot two good baskets as a forward, but O'Sullivan was too closely guarded to do much scoring.

Last night the Club League was organized and a schedule drawn up to begin Friday, December 3, with a double-header. The P. B. C. and H. A. C. meet in the opening game, while the Service and Night School clubs play the second game at 9 o'clock. Twelve and one-half minute halves with a five-minute rest will be played. The season extends until January 21. Senior league players are barred from Club league games. Any man who has played a full half of a Senior league game was ruled ineligible at last night's meeting of Club league representatives.

## LEADING TEAMS WILL PLAY FOR TITLE TOMORROW

The leaders of the Interscholastic League will meet tomorrow afternoon at 3 o'clock on Alexander field in what is expected to be one of the best contests of the season. The Kam players believe that Punahou had all the luck in the last game, and predict that with the breaks even Kam will triumph over the Buff and Blue.

Punahou did have the breaks to a certain extent last Saturday, but Kam made enough breaks of misjudgment to lose any game. The team will have to play better football than they did last Saturday if they expect to win from Punahou. The fans in the city are about evenly divided in their choice for a winner, and the contest tomorrow afternoon is sure to be a hummer from start to finish.

**THE BETTER THING**  
+ It is better to lose with a conscience clean  
+ Than win by a trick unfair;  
+ It is better to fail and to know you've been  
+ Whatever the prize was, square  
+ Than to claim the joy of a far-off goal  
+ And the cheers of the stand-ers by  
+ And to know down deep in your inmost soul  
+ A cheat you must live and die.

+ Who wines by trick may take the prize,  
+ And at first he may think it sweet  
+ But many a day in the future lies  
+ When he'll wish he had met defeat.  
+ For the man who lost shall be glad at heart  
+ And walk with his head up high  
+ While his conqueror knows he must play the part  
+ Of a cheat and a living lie.

+ The prize seems fair when the fight is on,  
+ But save it is truly won  
+ You will hate the thing when the crowds are gone  
+ For it stands for a false deed done.  
+ And it's better you never should reach your goal  
+ Than ever succeed to buy  
+ At the price of knowing down in your soul  
+ That your glory is all a lie.

It is expected that the game tomorrow afternoon will outdraw any game of the year. It will be the big athletic event of the afternoon, and the man who has to work on Saturday will be given an opportunity of watching the two leading interscholastic teams in a fight for the Turkey championship. It would be a good bet that neither team wins by two touchdowns, and one might expect a tie score. At any rate the contest will be thrilling enough to draw a banner crowd.

## GUARD TEAM TO MEET SCHOFIELD SQUAD TOMORROW

Turkey Day football will open tomorrow morning at 10:30 at Melih field when the strong National Guard team will clash with the clever squad from the 1st Infantry. This game is one that the fans of the city have been waiting for. The National Guard squad will have a number of followers among the members of the Guard, and it is expected that they will turn out to cheer for their team.

Late reports received from Schofield state that the 1st Infantry will bring a contingent of rooters that will down the locals in the cheering section. The men of the regiment have always backed their team, and when the kick-off takes place tomorrow morning it is expected that the stands will be crowded.

**Football Has Taken Hold.**  
Football has surely taken a strong hold on the public this year. At the games at Alexander field and at Kamehameha the crowds have been larger than at any athletic event staged in the city recently with the exception of the regatta races. The managers of the two teams are confident that the crowds will turn out tomorrow in numbers.

Manager Fred Wichman has gathered together a strong team to face the boys from Schofield, and the many stars in the line-up are certain to take care of their positions capably. One of the stars of the Hawaii team this year will be stationed at right end for the Guard, and Austin is certain to shine in this position. A. Moore and Bill Inman have had football experience at the tackle position, and have been stars in the past.

Carter, Parker and O'Dowd present a strong front in the trio positions, while Purvis at end is fast and a player who can get off punts in fine fashion. The backs are well known to followers of football. Dr. Peden will be stationed at quarter. Hart and Desha will start the game as half-backs, with Lee in reserve. Bill Ross, who has made a name in local football circles at McKinley, will handle the fullback job. Ah Mong is also sure to be given a chance in the backfield.

The Infantry team from Schofield will be captained by Greenaway, who has proved to be a star in the quarterback position. He will have as his teammates in the backfield a trio of football players who combine speed with ability to penetrate the opening line. Stokely, Snyder and Tainaki have gained much ground this year and in recent games were always in the play.

The line will be an unusually strong one, and when they learn to charge should hold the opposing teams safe. Everman and Spooner at ends have shown good defensive work, although they have played a little wide on plays coming around their territory. The field at Melih will be in good condition, and the players hope to stage one of the best games of the year tomorrow.

**The Line-up:**  
National Guard. 1st Infantry.  
Purvis. L. E. Spooner  
Inman. L. T. Schumacher  
Parker. L. G. Mott  
O'Dowd. C. C. Bingham  
Carter. R. G. Maher  
Moore. R. T. Steger  
Austin. R. E. Everman  
Peden. Q. B. Greenaway  
B. Desha. H. B. Snyder  
Hart. H. B. Stokely
